Hobbies/Groups/Affiliations/Other Interests:

Have been doing fantasy football, rotisserie baseball for years. Enjoy reading. Coached Pop Warner football for 20 years and two years frosh/soph at Half Moon Bay High.

Special Achievements, awards, accomplishments - anything you're proud of:

Founded the girls CYO basketball program in Half Moon Bay and the main fund raiser, a chili cookoff that evolved into a two day event.

Places traveled:

While in the Army, took advantage of location and spent a week in England, a week in Italy and a week in Spain. Got to go to West Berlin (prior to wall being torn down). We have been to New York, Chicago, Detroit, driven up the coast to Seattle, Florida Keys and driven half of Route 66.

Favorite place traveled and why:

Puerto Vallarta. We have been able to go a couple of times. We enjoyed the weather, food, and hospitality

"Bucket" list - things still to do in life:

We plan on driving Route 66 from Oklahoma City to Chicago. We have done the portion from Oklahoma City to Santa Monica. Learn and refresh history of America.

Other classmates with whom you are still in contact:

We have seen Wayne Cardelli and Ron Coleman. I have spoken to Ralph Goss, and traded emails with Almer Kellogg.

Favorite teacher and why:

Mr. Campbell always got your attention and had a provocative way of teaching. Others that come to mind were Mrs. Shackelford and Mr. Burt.

Fondest memory:

I do not have any particular memories but remember high school as enjoyable. I thought Pacifica was a tranquil friendly place. I remember our class as being somewhat diverse and yet being close and spirited.

What else is interesting to know:

We are very proud of our son and daughter who both went to law school. My son was a Navy JAG for 5 years and had the opportunity to be assigned to the US Attorney General's office in Puerto Rico to prosecute trespassers on Vieques. Their team prosecuted Jesse Jackson's wife, Mario Cuomo's son, Robert Kennedy Jr., Al Sharpton and other "celebrities". My daughter is a Public Defender in Reno, specializing in Family Court (parental rights).
