Terra Nova '65 45 yrs Reunion - August 28, 2010

Favorite place traveled and why:

Actually, I really love Sausalito! Or any place with a beach

"Bucket" list - things still to do in life:

Be a cool grandmother

Other classmates with whom you are still in contact:

Jean & Paul Barnhart, Linda & John Patterson, Gayle & Frank Dilles, Charlene Mueller-Boyce, Dave Crass, Stan Jacobs, Roger Broomfield, Mark Stephens

Favorite teacher and why:

Mr. Glostein. He was always thoroughly prepared and had high standards. Because of his classes, I aced every college science class!!

Fondest memory:

Multi-tasking required for all my activities throughout high school translated to the ability to successfully multi-task for my career and personal life.

What else is interesting to know:

I have seldom spoken to anyone who feels the same connection to their high school class as that maintained by the Class of '65.

Sha and daughter Gina
