"Bucket" list - things still to do in life:

Still want to go to New Zealand/Australia, Costa Rica, Cambodia/Thailand. I've already done the parasailing, zip-line stuff, so more travel

Other classmates with whom you are still in contact:

Sharon Day Rathbun and I will be co-grandmothers to our new little one.

Favorite teacher and why:

Lots: Mr Campbell, Mr. Olsen, Mr. Lanterman, but I guess the one that guided me the most was Mr. Walsh.

Favorite class and why:

Mr. Campbell's senior English - great class and it furthered my love of reading and Shakespeare.

Fondest memory:

The trips to Yosemite my junior and senior year with Mr. Lanterman. Yosemite has become a part of our lives.
