Hello Fellow Tigers:

Well, it’s been a few years since we last got together, but for me, those years have been filled with wonderful experiences. From Modesto I moved to Davis, home of U.C. Davis; got involved in community activities, got involved in work with the Senior Commission, the Cancer Society Relay with UC Davis, and ultimately the City, as well as in Woodland, San Francisco, and Auburn being part of the entertainment program with my tap dancing.

Got certified as a fitness trainer mainly working with seniors making use of my ballroom dancing and calling it *Moving with Music* - working with some people 90 plus years old. My latest is a program called *Commit 2 Fit*, a City activity program.

My most challenging activity is entertaining autistic kids twice a month, and starting in the September year a Head Start Program along with Early Childhood Education program to close the gap between kindergarten and first grade.

A year ago I looked at and later moved to a Senior Village here in Woodland, a real life style change from the town house living covering everything from meals, housekeeping, yard work and most transportation to shopping - this last one I like best.

Right now I’m trying to get the rest of my family to change the date for our family reunion as I missed theirs in favor of going to the Class of 65's last one - and they reminded me of that.

And I was looking forward to seeing everyone and telling you all what it feels like to be 94 years old (as of June 19<sup>th</sup>). (*Jean - remember my 80<sup>th</sup> - the picture still has an important place on the wall.*)

Just in case I can't make it to the reunion, HAVE A GOOD ONE!
