TO THE CLASS OF 1965:

The winning of two consecutive Spirit Awards was an indication of your strong class spirit. Few of us will forget the memorable performance of your class sponsored The Man who Came to Dinner. This was Terra Nova's first drama production. Nor will we forget the enthusiasm shown in your money making activities such as the light bulb sale and the car washes.

In addition to these activities, your class had its share of scholars, athletes, leaders and workers who were always present when something had to be done. Yes, the Class of 1965 will be missed at Terra Nova.

I know that I speak for the faculty as well as myself when I wish you well in your future endeavors and extend my heartiest congratulations upon your graduation.

Sincerely,

Dr. Tonini, Principal

Many of you did not believe in 1961 that four years could go by so rapidly, yet here it is almost time for graduation. During this time as a group, you have had many successes and a few disappointments. You have made more than your share of contributions to Terra Nova, yet many have not taken full advantage of the opportunities offered them.

Many of your successes can be attributed to a minority of students who have done a great deal to make your class the great class that it is, while the rest have joined in on the successes and have used the group word "we" without contributing their full share. Many of you are now looking back wishing that you could "do it all over again." Perhaps you are realizing with regret that being a part of something is worthwhile and rewarding.

I suppose fundamentally high school is that place in your life where you have the opportunity to participate in a group where your mistakes are not so noticeable so that you can succeed in life as an individual when you alone must be responsible for everything you do. We all learn from experience...so can you. Goodbye and Good luck

Mr. Hinkle, Vice Principal

Although we, the members of the Senior Class of 1965, will soon be stepping forth into a new life, one concerned with the fulfillment of dreams and ambitions, as well as the struggle for survival in this world of progress and prosperity, we will always remember that the real foundation for the knowledge of life so necessary to future success was laid within the secure boundaries of Terra Nova High School.

Here we learned the most important aspects of life--responsibility, self-discipline, patience and tolerance of the faults and opinions of others, how to incorporate the ideas of many in order to achieve a common goal, and most important of all we learned to find ourselves as individuals.

Thank you Terra Nova, but never good-bye, for you will always be a part of our lives....

Graduation Night Approaches; Vawter, Fadenrecht and Rogers Chosen as Speakers

Terra Nova's graduating class of '65 will receive their diplomas on June 18, in the TN gymnasium.

Student speakers will give speeches they have written on current and future world topics, also reviewing their history courses. The chosen speakers are three of Terra Nova's top honor students; Mike Vawter, Validictorian; Alice Fadenrecht, Salutatorian; Jeannie Rogers, Class Speaker.

Vawter was chosen "Valedictorian," based entirely on grade point average. Mike rated first in his class.

He has been active in the Science Club and track. He was also President of the CSF and a staff member of the Student Echo, a campus newspaper, besides being in the Senior Class play.

After graduation Mike intends to attend Stanford University, where he has received a scholarship. Later he plans to go to the Stanford campus in France as a part of its overseas program.

Alice Fadenrecht will wear the gold cord of the Salutatorian. She was appointed by Dr. Tonini on the basis of her grade point average, which stands second in the class. She will speak to the graduating class about what is coming in the future.

Alice will attend the University of California, Santa Barbara, where she will major in Spanish.

MIKE VAWTER
Validictorian

ALICE FADENRECHT
Salutatorian

Other activities that she participated in were the AFB, GAA, CSF, and FTA. She was also the president of the YFC, the Youth Fellowship Club.

The senior class voted Jeannie Rogers as their class speaker. She has selected for her topic, a review of the classes high school days, "Remember When."

Jeannie has been a very active student, belonging to the Executive Board of both class and school.

Besides being in the student board part of school, she has also belonged to the FBLA, GAA, and many other clubs throughout her entire high school days.
